As an Individual

You've reached the limits of what you
can do on your own

technically

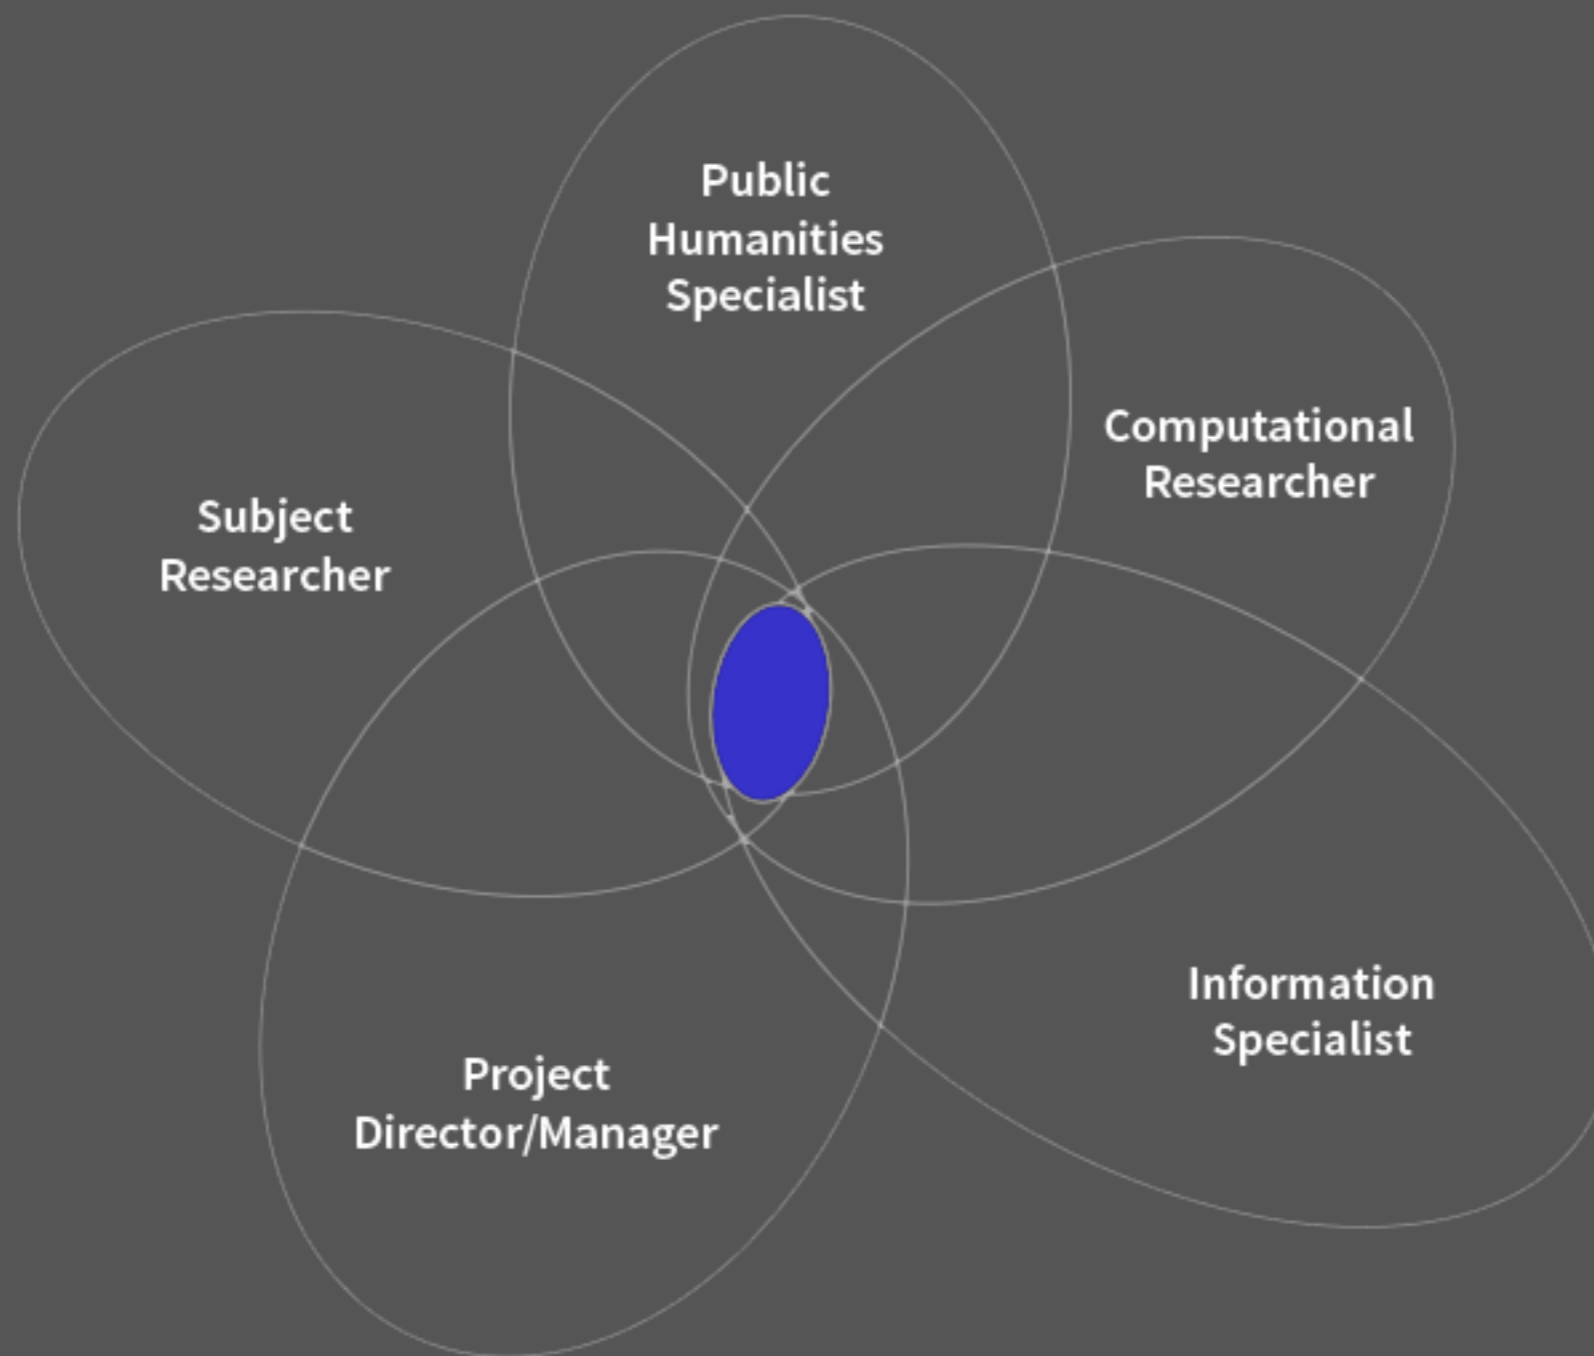

infrastructurally

intellectually

(needing collaborators)

The current team cannot provide
support for deliverables of the project

Staffing

Business Manager:
The financial nuts and bolts,
personnel, etc

Staffing Your Project: Education and Outreach

Educational Specialist:
Curriculum Designer

Trainers

Project Team Principles

Types of staffing:

Dedicated/Permanent (100%)

Joint or Multi-Part (>100%)

The type of staffing you choose will effect your project's capacity and its obligations

Project Team Principles

The more part time staff on the project,
the more coordination that is required

The “split” attention problem

The Back Up

No one project staff member can do everything.

Understand each others' roles and abilities
